

World Leisure Centre of Excellence at Vancouver Island University

Visiting Scholars Program CALL FOR APPLICATIONS

We are seeking applications for our “Visiting Scholars Program”. Visiting Scholars are an integral component of two initiatives at Vancouver Island University (VIU): the MA Degree in Sustainable Leisure Management, and the World Leisure Centre of Excellence. Accordingly, the Visiting Scholar Program is designed to bring local and international leaders to VIU to engage with students, faculty, and the Vancouver Island region. The purpose of this engagement is to enrich the student experience, to share research and professional experiences, and to explore possibilities for future collaborations (such as research projects, student and faculty exchanges, study tours, etc).

VIU is dedicated to teaching, research, community engagement, and international collaboration. The faculty in the Department of Recreation and Tourism is one of the largest leisure related programs in Canada, and includes funded Research Chairs. The Department is active in research, international activity, and community projects.

We are seeking applications from scholars with research and teaching expertise in leisure, sustainability, innovation, behavior change, community development, knowledge mobilization, strategic planning, and related areas. Scholars may be either (or both) practitioners or academics who are actively engaged in the study or application of sustainable practices in leisure management. Vancouver Island University will refund up to \$4000 CAD for travel and living expenses for each of the four visiting scholars selected per year.

The MA program in Sustainable Leisure Management (MA SLM) at VIU prepares emerging leaders to create innovative approaches for providing recreation and tourism opportunities in ways that respect and enhance communities, natural settings, and local economies (please visit our website for current description of the MA SLM and related programs: at www.viu.ca/slm or <https://management.viu.ca/sustainable-leisure-management/blog>).

The MA SLM program is housed within the VIU Department of Recreation and Tourism, which is recognized as a “Centre of Excellence” by the World Leisure Organization. The academic schedule for the MA SLM program commences each year in September, with courses organized mainly in four week modules as indicated below for 2019-20.

Visiting scholars must be present on campus for a minimum 2 week period during one of the classes and they will participate in the delivery of one course by co-teaching with a VIU faculty member. They are also required to give a public lecture as part of the World VIU speaking series. Finally, we want scholars to engage with faculty and students or community groups while they are visiting.

Please indicate on the application form which of these courses (and dates) are most appropriate. Course descriptions can be found at: <http://www.viu.ca/slm/ProgramDescription.asp>

Dates for 2019-20	Courses
September 9 – October 4	SLM 601: Leisure and Sustainability: Principles and Paradigms
October 15 - November 8	SLM 602: Case Studies in Sustainability and Innovation
November 18 – December 13	SLM 604: Influencing Change Towards Sustainability
January 6 – January 31	SLM 603: Knowledge Creation and Mobilization I
February 10 – March 6	SLM 605: Knowledge Creation and Mobilization II
